--	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## Description

Front: Aufrechter, nach l. schreitender Bär mit Halsband; in Perlkreis.

Rear: Bekrönter und nimbierter Doppeladler; in Perlkreis.

Provenience: Slg. Imhoof-Blumer (aus Slg. Lohner, 1866 von Imhoof-Blumer angekauft, zuvor von Lohner 1861 durch Tausch aus Slg. British Museum, London erworben)

Field smoothed: The field of a coin or medal has secondarily been fully or partly deepened in order to improve the relief of the legend or image. This procedure occurs especially with collectors' objects and is not part of the working process of a mint. Not to be confused with the re-cutting of parts of the design or legend on a coin, or the erasure of elements of them.

## Basic data

Material/Technique:	Silver; struck
