Description

Front: Aufrechter, nach l. schreitender Bär mit Halsband; in Schnurkreis; im Abschnitt 1622.

Rear: Nimbierter Doppeladler; in Schnurkreis; im Abschnitt Wertzahl 3 (Batzen).

Provenience: Slg. Lohner oder Altbestand Bibliothek (vor 1871)

Pierced: Intentional hole(s) pierced through a coin so that it can be worn on a necklace, sewn onto textiles, etc. In case of paper money such a perforation often indicates devaluation.

Field smoothed: The field of a coin or medal has secondarily been fully or partly deepened in order to improve the relief of the legend or image. This procedure occurs especially with collectors' objects and is not part of the working process of a mint. Not to be confused with the re-cutting of parts of the design or legend on a coin, or the erasure of elements of them.
